

STOCK CANCELLATION

Vehicle has been checked in, "Return Tow" is selected

The screenshot shows a web browser window titled "Cancel Assignment - Internet Explorer". The page has a header with "ASAP Menu (Shortcut Popup: F12)" and a "Local Navigation" dropdown. The main content area is titled "Cancel Assignment" and contains several sections:

- Status Info:** A table with fields: stock number (000-15293822), branch (Western Colorado Branch), account manager (Branch), provider (Progressive Casualty Insurance - Ct Rico, James), adjustor (Rico, James), adjustor phone ((303)801-3382), claim (15-1525062), owner (Kerk, AUSTIN), date of loss (05/29/2015), alt stock no, process status (Wait Buyer Tow Dispatch), VIN (JT4VN13DXR5229299), type (Automobile), year (1994), make (TOYOTA), model (HALFTON PICKUP), license plate.
- Cancel Info:** Includes a "reason" dropdown (set to "Car is Repairable"), "authorized by first name" (Michael), "authorized by last name" (Duve), "vehicle tow" dropdown (set to "Return Tow"), "cancel amount" (\$0), "override amount", "override reason" dropdown, "override reason note" dropdown, and "additional override note".
- Return Tow:** Includes a "location type" dropdown (Storage Location), "location name", "Search Locations" button, "phone number", "address", "apt#/lot#/other", "zip", "city", "state", and "country" fields.

At the bottom, there are "Submit", "Reset", and "Notes" buttons. A large yellow "Development" watermark is visible across the page. A callout box labeled "dropdown" highlights the "vehicle tow" dropdown menu, which is open and shows the following options: "Return Tow" (highlighted), "Provider Pickup", "Owner Retain", and "Adverse Carrier".

STOCK CANCELLATION

Vehicle has been checked in, "Provider Pickup" is selected

The screenshot shows a web browser window titled "Cancel Assignment - Internet Explorer". The page has a header with "ASAP Menu (Shortcut Popup: F12)" and a "Local Navigation" dropdown. The main content area is titled "Cancel Assignment" and contains a form with the following sections:

- Status Info:** A table with fields for stock number, branch, account manager, provider, adjuster, adjuster phone, claim, owner, and date of loss.
- Cancel Info:** A section with a "reason" dropdown (set to "Car is Repairable"), "authorized by first name" (Michael), and "authorized by last name" (Duve) fields.
- Vehicle Details:** Fields for alt stock no, process status (Wait Buyer Tow Dispatch), VIN, type (Automobile), year (1994), make (TOYOTA), model (HALFTON PICKUP), and license plate.
- Override Fields:** Fields for cancel amount, override amount, override reason, override reason note, and additional override note.

A "vehicle tow" dropdown menu is open, showing a list of options: "Return Tow", "Provider Pickup" (highlighted), "Owner Retain", and "Adverse Carrier".

At the bottom of the form, there are "Submit", "Reset", and "Notes" buttons. Large yellow "Development" watermarks are visible across the page.
